12 Civ. 4102 (PAE)

ECF Case

**JOINT STATUS REPORT**

The parties to the above-referenced matter previously moved for a stay of proceedings in order to permit time to determine whether the parties' settlement agreement would become effective, obviating the need for this litigation. The Court granted the stay by order dated November 8, 2012 (DE #7) and requested that the parties provide a Joint Status Report by March 5, 2013.

The parties need additional time to determine the effectiveness of their settlement agreement. The parties anticipate that the effectiveness of the settlement agreement will be determined shortly and propose that this matter be stayed for another two weeks, or until March 19, 2013, at which time the parties propose submitting another Joint Status Report.
